

## Other Publications:

- Preety Mukherjee, Lim Cheng Choon, Yee Wen Loh, Kam Wui wui, Thet Mon Aye, Ng Wai Ling. *Modeling impact of peak traffic and street geometry from transportation in Street Canyons - Case Analysis – Singapore. Invited Paper, World Scientific Engineering Academy and Society*, Greece. July 2005.
- Preety Mukherjee, Lim Cheng Choon, Yee Wen Loh, Kam Wui wui, Thet Mon Aye, Ng Wai Ling. *Carbon Monoxide Modeling from Transportation in Street Canyon at Singapore. Modeling Tools for Environment and Resources Management*, AIT, Bangkok, Thailand. May 2005.
- “Contributions to CO concentrations from biomass burning and traffic during haze episodes in Singapore” in “**Atmospheric Environment**, Pergamon Press, Great Britain, UK”. Volume 35, Issue 4 , 2001, Pages 715-725. Preety Mukherjee and Shekhar Viswanathan.
- “Carbon Monoxide Modelling from Transportation Sources” in “**Chemosphere**, Volume 45, Issues 6-7 , November 2001, Pages 1071-1083, Elsevier Publications, Great Britain, UK”. Preety Mukherjee and Shekhar Viswanathan.
- “Modeling mobile source emissions in presence of stationary sources”, in “**Journal of Hazardous Materials, Elsevier Publications, UK**”, Volume 76, Issue 1, 28 August 2000, Pages 23-37. Preety Mukherjee and Shekhar Viswanathan.
- “Major Challenges in the Design of a Large- Scale Photocatalytic Reactor for Water Treatment”. **Chemical Engineering Technology**, Wiley-VCH Verlag GmbH, Weinheim, pp: 202-206. Vol: 22, No: 3 , March 1999. Preety S Mukherjee and A. K Ray.
